BUSH'S NURSERY

15th AVENUE SOUTH and 40th STREET

Minneapolis, Minnesota

Telephone—REgent 1035

“Minnesota Snowflake”

*New Double Flowering
Mock Orange*

U. S. PLANT PATENT 538
Developed and Grown at the Nursery

THIS new Double Mock Orange is truly outstanding. It is all double, every blossom intensely, double, exceptionally sweet scented, glistening white, large flowering, profuse bloomer, symmetrically formed, gracefully branched, neat, beautiful foliage, rugged, fast growing, and exceptionally hardy.

It is reasonably free from insect pests, and will grow to a height of 10 or 12 feet as a large specimen shrub, or if desired can be easily kept within bounds by simply a little pruning.

It will thrive in ordinary soil, either sun or part shade.

These many favorable features make it a truly remarkable shrub.

We now have for planting well branched shrubs which will come into bloom in June in sizes:

2 to 3 Feet.....\$1.00

3 to 4 Feet..... 1.50

Some Larger 2.00

HARDY PERENNIAL FLOWER PLANTS

Each, 20c
